

# Big Horse Selections

For Saturday Night, Sept. 22<sup>nd</sup>

<b>RACE</b> <b>1</b>	<p><b>#2 May I Please</b>-was a sharp runner-up to a very game winner in this class last weekend. She draws the perfect spot and looks to be the one to beat. <b>#8 Givemeonemore</b>shot-hasn't been as sharp as she was last month, and draws a tough post here. She does have talent, and if she brings her best, she has a shot to overcome post 8 tonight. <b>#3 Boots Off</b>-draws inside after having the second tier last time. She's a longshot that could hit the ticket here. <b>#6 Walela</b>-won drawing away last time. She steps up in class off her impressive victory.</p>
<b>RACE</b> <b>2</b>	<p><b>#6 Two Beat</b>-didn't miss by much when facing a much tougher group last time out. He drops in class tonight and should be very tough to catch. Tonight's Best Bet! <b>#1 Halfa Century</b>-finished second and third in this class in his last two races. He draws inside and again looks to be in the top 3. <b>#5 UF Whosurdarlinboy</b>-was a game second last time. This gelding gets right back in the same class and is another to consider tonight. <b>#7 Nursery Ed</b>-debuts for a new Owner/Trainer/Driver tonight and has had success in Michigan in his 2 &amp; 3 year old campaign.</p>
<b>RACE</b> <b>3</b>	<p><b>#1 Would You Believe</b>-closed from far back to finish second to a clear winner in his last start. He draws inside here and is clearly the one to beat. <b>#4 Ceejays Dream</b>-will likely pose the main threat to our top pick. She just missed in her last start at Northville and recovered to finish third after a break in her last start. <b>#3 Imgonnacatchya</b>-draws a better post tonight. She should be closer to the pace throughout and could land on the exotic ticket. <b>#5 Bybers Hanover</b>-was just too far back to rally last time. If he stays closer, he could pose a late threat.</p>
<b>RACE</b> <b>4</b>	<p><b>#4 Don'tu Get Lonely</b>-was a beaten favorite last time. He left early, was shuffled back, and rallied late. This gelding deserves another chance &amp; could bounce back with a better effort. <b>#3 PL Adder</b>-closed very well last time to pick up third when facing a similar group. He draws a good post and can't be counted out. <b>#6 Copper Coast A</b>-Stopped badly as the heavy favorite last time at Northville. This was a 10 time, \$100,000 winner last year. Classy competitor. <b>#2 Second Thoughts</b>-draws inside, where he should get a good trip. He too is an exotic possibility.</p>
<b>RACE</b> <b>5</b>	<p><b>#3 Rebel Soldier</b>-won going away in a season's best last time out when facing similar competition. He draws an even better post tonight and looks to be very tough to beat. <b>#4 Ogrady's First Man</b>-brushed to the front and just missed last time out. This is a very fast 4 year old that is always tough to deny. <b>#6 MG Kid</b>-closed for third last time out and now moves up in class. This gelding has been in the money in exactly one half of his races this year. <b>#2 Dabunka</b>-is the longshot of the group that could get a trip with tonight's inside post draw.</p>
<b>RACE</b> <b>6</b>	<p><b>#6 Top Notch</b>-finally draws away from post 8 where he missed by the smallest of margins in his last two races. This gelding has a strong late brush and should be very tough in this spot. <b>#5 Hollyrock Heyden</b>-this gelding has been racing hard in recent starts. He has won 10 races this year and just needs a trip to be a big factor tonight. <b>#1 Time's Are Tight</b>-has won the last two races that he had post one. This field is tougher, so he will need his best to keep his inside streak alive. <b>#7 DCN Make My Day</b>-was a beaten favorite last time. He won his start prior.</p>
